Announcement

This herd originated from the J. W. Gailey and Son herd of Battle Creek, Iowa.

This is a dispersion sale. Although no footnotes appear in this catalog, we are sure you will find the quality, condition and breeding acceptable to add to your own herd.

There are adequate hotel and motel accommodations. Northwood is located on Iowa highways 65 and 105.

Guarantee

This is a working herd as can be seen by the number of cows close to calving. There will be no fitted cattle. They will be presented in their everyday farm working condition.

Standard guarantee of the American Shorthorn Breeders Association will be in effect.

TRANSFERS: Every animal's pedigree will be transferred to its new owner.

HEALTH: All cattle will have passed a clean TB test within 30 days of the sale. The entire herd has been calfhood vaccinated for Bang's.

All females over 30 months of age will be blood tested. Calfhood vaccination certificates will be furnished for all animals under 30 months of age.

The herd may be seen Sunday and Monday mornings before the sale at the Northwood Sale Pavilion.
